

# 10TH AVE BIKE BOX

10TH AVE

Use the bike box to make a safe left hand turn onto Blanca, to access the Off-Broadway bike route. Move into the bike box when you have the green light, and wait to make your turn. If you prefer, you can move into the left lane and make a turn from there instead.

BLANCA

UNIVERSITY BLVD .

A bike box is a safety measure designed to improve conditions for cyclists and drivers. Cyclists wishing to make a safe left turn can use the box to do so, but it is not mandatory.
